EVERYTHINGAI FOUNDATION (EAI)

FEB 12 2027 – JUNE 4 2027

DFW STUDENT COMPETITION

PHYSICAL AI FOR FUTURE FOUNDERS

Team up, pick a real-world problem, and solve it with physical AI and robotics.
Four months of extracurricular work takes you from idea to plan to prototype to Demo Day,
Winners have chance to enter in startup incubation.

1–5	4 months	$0	$1,000
STUDENTS PER TEAM	IDEA TO DEMO	APPLICATION FEE	FIRST PRIZE PER STUDENT

WHO CAN ENTER

DFW-area high-school students (10th grade and up), university students, and graduates within 3 years of graduation date.

New projects only, no re-submitting existing work.

Apply as a team of up to 5, or on your own as a one-person team.

EAI may suggest merging teams with similar proposals. You have the final say.

APPLICATION OPEN IN DEC 4 2026, PROGRAM RUNS FEB 12 2027 – JUNE 4 2027

APPLY AT EAI.FOUNDATION/PHYSICALAI

HOW IT WORKS

FOUR STAGES. ONE DEMO DAY.

01 APPLY

Complete the web application before the deadline. Accepted and declined results are announced two weeks after it closes.

02 KICKOFF

Form your team, elect a team lead, and an EAI assigned coordinator. Prepare a pitch to judges on your problem, solution, use of Physical AI or Robotics, execution plan, market potential, and receive a Go/No-Go decision.

03 PROTOTYPE

Build your solution with approved project funding from EAI and extra need-based mentors coordinated through EAI coordinator. Monthly progress reviews give you feedback and keep the build moving.

04 DEMO DAY

Deliver a 5-minute presentation with a demo to a panel of judges, showcase your demo with a poster in demo floor for judges to walk through. The judges select three winning teams.

PRIZES

1ST PLACE	$1,000
2ND PLACE	$500
3RD PLACE	$250

Every team that presents at Demo Day except winners receives an honorable mention with $100 award.

MORE THAN PRIZE MONEY

PRIZES PER Member. Prizes are for each member

Mentoring and funding. Need-based mentoring sessions, and EAI funding for approved project costs.

Credit at every stage. A $30 AI token credit per member for accepted teams that get a No-Go at Kickoff.

A path to a startup. Winners have chances to enter startup incubation and are recognized at a celebration with startup founders, mentors and angel investors.

Visibility. Winning teams are featured on the EAI website and social media, with demos at national conferences and angel investment events.
